**What:** Help develop a *comprehensive, sustainable trails plan* for the Greater Santa Fe area.

**Where:** The Greater Santa Fe includes trails in the Santa Fe, Galisteo, Los Alamos, Valles Caldera, Bandalier, and Caja areas.

**How:** All hands, all lands, outcome-oriented collaboration. This process is interactive and inclusive of all trail interests and focuses on collective prioritization of trail projects.

**Who is invited:** Trail enthusiasts, businesses, landowners, organizations, agencies... and all others interested!

#### Kick-Off Workshops

1. *December, 2018:* Identify potential trail projects and areas of interest and concern for trail planning
2. *January, 2019:* Prioritize potential trail projects

#### **Convened by:**

#### **Greater Santa Fe Recreation Partnership**

An emerging collaboration among governmental and non-governmental partners fostering proactive dialogue, collective action, and development and implementation of a comprehensive outdoor recreation master plan in the Greater Santa Fe area.
